## Instructions to cash in Fixed Interest Savings Certificates

Use this form to cash in all or part of your Fixed Interest Savings Certificates.

## When you can cash in

Fixed Interest Savings Certificates are designed to be held for their full term. You can have access to your investment before the end of the term, but we will deduct a penalty equivalent to 90 days' interest on the amount you cash in.

You can cash in with no penalty:

- at the end of the fixed rate term as long as we receive your instructions by that date;
- if a single or last surviving investor dies;
- for an investment held in trust, if a single or last surviving beneficiary dies.

Your Certificate will earn interest up to and including the day before repayment. We can't cancel an instruction to cash in, because we start processing it as soon as we receive your form.

## How much you can cash in

If you cash in part of your Certificate at least £100 must remain invested. Or you can cash in the whole Certificate.

Please note: to satisfy Money Laundering Regulations - in common with all banks and building societies - we may seek evidence of identity from anyone applying to cash in Fixed Interest Savings Certificates.

Please write in BLACK CAPITAL LETTERS inside the boxes. This helps us process your form faster.
