Instructions to cash in Children's Bonds

Use this form to cash in all or part of a Children's Bond.

When you can cash in

Children's Bonds are designed to be held for their full term. You can have access to your investment before the end of the term, but we will deduct a penalty equivalent to 90 days' interest on the amount you cash in.

You can cash in with no penalty at the end of the fixed rate term - as long as we receive your instructions by that date.

Your Bond will earn interest up to and including the day before repayment. We can't cancel an instruction to cash in, because we start processing it as soon as we receive your form.

How much you can cash in

If you cash in part of your Bond at least £25 must remain invested. Or you can cash in the whole Bond.

Please note: to satisfy Money Laundering Regulations - in common with all banks and building societies - we may seek evidence of identity from anyone applying to cash in Children's Bonds.
