Use this form to cash in all or part of your Guaranteed Growth Bonds if you invested or renewed before 1 May 2019.

When you can cash in

Guaranteed Growth Bonds are designed to be held for their full term. You can have access to your investment before the end of the term, but we will deduct a penalty equivalent to 90 days' interest on the amount you cash in.

You can cash in with no penalty:

- at the end of the fixed rate term - as long as we receive your instructions by that date;
- if a single or last surviving investor dies;
- for an investment held in trust, if a single or last surviving beneficiary dies.

Your Bond will earn interest up to and including the day before repayment. We can't cancel an instruction to cash in, because we start processing it as soon as we receive your form.

How much you can cash in

If you cash in part of your Bond at least £500 must remain invested. Or you can cash in the whole Bond.

Please note: to satisfy Anti Money Laundering Regulations - in common with all banks and building societies - we may seek evidence of identity from anyone applying to cash in Guaranteed Growth Bonds.

Please write in **BLACK CAPITAL LETTERS** inside the boxes. This helps us process your form faster.
