

## Instructions to cash in Income Bonds

NS  
&I

Please read these notes before you fill in the form.

- You can cash in all or part of your Income Bond with no notice and no penalty.
- If cashing in part of your investment, the minimum amount that can be cashed in is £500, and at least £500 must remain invested in your holding. We'll send you a new transaction record for any remaining balance.
- If your completed form reaches us shortly before an interest payment date, you may receive some overpayment of interest. If so, we will adjust the amount of your following interest payment or your repayment to take account of this.

Please write in **BLACK CAPITAL LETTERS** inside the boxes. This helps us process your form faster.
