

instructions to reinvest or cash in Savings Certificates

You should read the sales brochure, including the terms and conditions, before applying to reinvest your Certificate as significant changes have been made to this investment.

Use this form to:

- reinvest a matured Certificate into any Issues currently on general sale, ie to invest either for a different term or in a different type of Certificate – complete sections 1 to 5 and sign in 7
- cash in your Certificates – complete sections 1, 2, 3, 4 and 6, and sign in 7

Reinvesting

You can only reinvest:

- if you have a Certificate that has already matured; **and**
- there are any Issues of Savings Certificates on general sale.

Before you apply to reinvest, please check whether any Issues are on sale – to do this visit nsandi.com, call us on **08085 007 007** or tweet us at [@nsandihelp](https://twitter.com/nsandihelp) and we'll be happy to help. We're here in the UK all day, every day. Calls from the UK are free. We may record your call to help us give you the best service.

You will receive the Issue on sale on the date of your reinvestment. Remember that Issues can be withdrawn without notice.

Reinvesting into another NS&I account or investment
