Not satisfied with our service?

Our complaints procedure leaflet

Our commitment to good service

How we handle complaints

We will always aim to deal with your savings and investments promptly and accurately. Sometimes we may make a mistake, but if we do we'll do our best to put things right quickly and without fuss.

If you are unhappy with the way we have handled your NS&I business, we have a procedure designed to resolve your complaint fairly for you. We aim to resolve a complaint to your satisfaction within eight weeks, but if you're still not happy you can refer it to the independent Financial Ombudsman Service.

As part of our commitment to providing you with a high standard of service, this leaflet explains our complaints procedure, lets you know what you need to do at each stage, and tells you what you can expect from us in return.

What should I do first?

You can either call or email us, or write to our Customer Service Team. Whenever you contact us please give the reference number from any relevant letters as well as your customer, account or holder's number.

What happens next?

We will acknowledge your complaint within five working days and we'll aim to fully resolve it for you within eight weeks. If you send your complaint to us by email, we'll send your acknowledgement the same way. However, to protect your confidentiality, our full reply to you will be by post to your current registered address.

Our complaints process ends when we send you our "final response" letter.

Can I take it further if necessary?

If you are not satisfied with our final response, or we have not been able to resolve the problem within eight weeks, you can refer your complaint to the Financial Ombudsman Service, which provides consumers with a free, independent and confidential service to help settle disputes with financial services providers.

How do I do this?

You can contact the Financial Ombudsman Service on 0300 123 9 123 (free for mobile users who pay monthly for calls to numbers starting 01 or 02) or 0800 0 234 567 (free from most landlines) and they will help you complete their complaint form. Or you can download a form from their website at www.financial-ombudsman.org.uk.

Or write to them at South Quay Plaza, 183 Marsh Wall, London, E14 9SR.

For your complaint to be considered by the Ombudsman, you must complete and return their form within six months of the date on our final response letter. The Financial Ombudsman Service will consider both sides of the case and decide what action should be taken.

Can I still write to my MP?

As NS&I is a government agency you can also refer your complaint to your MP if you wish. You can write to your MP at: House of Commons, London, SW1A 0AA.
