Guaranteed Income Bonds

How do I open and manage my account?

The Bonds are for customers aged 16 or over. You can hold them in your own name or jointly with one other person. You can also hold them in trust for one or more individuals.

For the Issues on general sale, you can:

- apply for your Guaranteed Income Bonds online only, but manage them online, by phone or by post
- invest at least £500, paid by a debit card in your own name, issued by a UK bank
- invest up to a total of £10,000 per person (or £10,000 per trust) per Issue

If you have a Bond that is due to mature, you can renew it online or by phone if you are registered for this service; you can also renew by post. The minimum amount you can renew is £500. There is no maximum limit when renewing a maturing Bond.

If you want to switch to an Issue of Guaranteed Income Bonds that's on general sale from another NS&I account or investment, download a switching form from [nsandi.com/forms](https://www.nsandi.com/forms) or call us. You can't switch to an Issue of Guaranteed Income Bonds that's not on general sale.

Can I withdraw money?

No, a Guaranteed Income Bond is a fixed-term investment that has to be held for the full term. This means that you won't be able to access your money until it matures.

We'll contact you to let you know your options at least 30 days before your Bond matures.

Additional information

We pay your interest without deducting any tax. However, the interest is taxable so it will count towards your Personal Savings Allowance. Find out more at [nsandi.com/tax-and-savings](https://www.nsandi.com/tax-and-savings)

We'll send you a statement in April each year, showing the interest you've earned and your balance. You can choose to receive your statements electronically or by post.

Definitions

Gross is the taxable rate of interest without the deduction of UK Income Tax.

AER (Annual Equivalent Rate) illustrates what the annual rate of interest would be if the interest was compounded each time it was paid.
