

Guide to buying more Premium Bonds by bank transfer and standing order

Here is your step-by-step guide to buy more Premium Bonds by instructing your bank to make a transfer.

Step 1:

Find your Premium Bonds holder's number (not your NS&I number). You can find your holder's number on your Bond record or by logging into our online service. Make a note of it, or write it in the space below.

Step 2:

Give the following details to your bank and tell them how much to transfer and how often. The minimum you can invest each time is £25. You'll normally be able to do this online, by phone or in a branch, depending on your bank.

Payee name:	NS&I
Account number:	11994808
Sort code:	08 31 15
Reference:	<input type="text"/> Enter your Premium Bonds holder's number above as the reference when you instruct your bank. Your holder's number has either 10 or 9 digits, or 8 digits followed by a letter. Make sure you enter it correctly without any hyphens, spaces or full stops. This will ensure your payment reaches the right account.

When buying by bank transfer, you are confirming that:

- You are 16 or over. Parents and grandparents can set up a standing order for their child or grandchild under 16. The child must already have some Premium Bonds.
- Your bank account is a UK account in your name.
- You have read and accept the current customer agreement.

Please note:

- Any transfers that would take you over the £50,000 limit will be automatically refunded in full to your bank account, so you may want to check your Premium Bonds balance before investing.
- We do not accept payment via Clearing House Automated Payment System (CHAPS).

Alternatively, you can [download and print](#) a standing order form then complete it and give it to your bank.
