Guide to buying more Premium Bonds by bank transfer and standing order

- You must be aged 16 or over and buying Bonds for yourself or for a child under 16.
- You or the child must already have some Premium Bonds, and you must know your (or the child's) holder's number.
- Each investment must be at least £25 and in whole pounds.
- The bank account must be a UK account in your name.

- When buying by bank transfer, you are confirming that you have read and accepted the current customer agreement.
- Any transfers that would take you over the £50,000 limit will be automatically refunded in full to your bank account, so you may want to check your Premium Bonds balance before investing.
- Please note that we do not accept payment via Clearing House Automated Payment System (CHAPS).

Here is your step-by-step guide:

**Step 1**
Find your Premium Bonds holder's number (not your NS&I number). You can find your holder’s number on your Bond record or by logging in to our online service. Make a note of it, or write it in the space below.

**Step 2**
Give the following details to your bank and tell them how much to transfer and how often. You’ll normally be able to do this online, by phone or in a branch, depending on your bank.

<table>
<thead>
<tr>
<th>Reference:</th>
<th>Enter your (or the child’s) <strong>Premium Bonds holder’s number</strong> above as the reference when you instruct your bank. Your holder’s number has either 10 or 9 digits, or 8 digits followed by a letter. Make sure you enter it correctly without any hyphens, spaces or full stops. Don’t add any other information in the reference field apart from the holder’s number.</th>
</tr>

Alternatively, you can download and print a standing order form then complete it and give it to your bank.
