How to buy Premium Bonds by standing order

What you need to know before you invest

- The minimum for each investment by standing order is £25.
- You must be aged 16 or over. Parents and grandparents can set up a standing order for their child or grandchild under 16. The child must already have some Premium Bonds.
- The date of purchase of each Bond will be the date we receive your payment.
- It will take a few days for your payment to reach us after it leaves your account. If you want to buy your Bonds towards the end of each month, check with your bank or building society how long this might take before choosing a date. And bear in mind that some months - for example February - are shorter.
- The standing order payments must be from your own UK bank or building society account in your name.
- You can hold up to £50,000 worth of Premium Bonds. Remember to cancel your standing order if you reach this limit.
- You must give your Premium Bonds holder's number on the form - please enter it without any hyphens, spaces or full stops.
- You can cancel your standing order at any time. Just tell your bank - not NS&I.

What happens next

Once your bank or building society has set up your standing order, we'll issue new Bond numbers for you as soon as we receive each payment. We'll send you a new Bond record every month to confirm each investment.

Want to cut down on paper?
